STATE RULES AND LIMITATIONS (SECTION 20310 CAPP MANUAL)

The Commonwealth Accounting Policies and Procedures (CAPP) Manual dictates that all expenditures of State funds be considered essential to the operation of the University. Under the general rule set forth in Section 2.2-1822 of the Code of Virginia, the Department of Accounts may question any State-funded expenditure. This means that all State-funded expenditures (including grants and contracts) are subject to public scrutiny. Anyone authorizing a purchase should determine that the benefit to the University justifies the use of State funds, and consider the appearance of unusual purchases in general. George Mason University’s Purchasing Department has developed detailed guidance in the Mason Purchasing Policies and Procedures Manual. Individual circumstances vary widely and adequate documentation for unusual purchases should always be included.

The following list contains examples of expenditures determined by George Mason University to be an improper use of State funds. This list is intended to provide general guidance in judging the appropriate use of State funds. However, any State-funded expenditure may be questioned, including those that are excluded from this list.

Improper expenditures examples:

- Gifts
- Flowers (exception for commencement ceremonies and specific Admissions events)
- Charitable contributions
- Alcoholic beverages
- Snacks for employees
- Coffee service, machines or supplies for personal use. Coffee machines may be purchased using State funds provided the machine services community use. The coffee machine will be property of the university.
- Water dispensers/water coolers, stands or related items
- Retirement parties, employee going-away parties
- Group luncheons for employees
- Holiday cards or decorations
- Subscriptions, except for bona fide business purposes, not to exceed one year
- Non-business related newspapers or magazines
- Books for classes (unless they remain the property of George Mason University)
- Picture framing (unless the item remains the property of George Mason University)
- Framing of award certificates
- Replacement of stolen or lost employee personal articles
- Personal items, such as fans or heaters, for employees
- Employee clothing (non-uniform)
- Clothing, unless required to perform the duties of a position
- Cash advances
- Digital books or other digital materials downloaded to personal devices

REMEMBER
ALL MASON-FUNDED EXPENDITURES ARE SUBJECT TO PUBLIC SCRUTINY. CONSIDER THE APPEARANCE OF ANY UNUSUAL PURCHASE BEFORE YOU COMMIT THE UNIVERSITY.
PERSONAL ITEMS FOR COMMUNAL USE

The following items may be purchased for communal use and not personal/private use. These purchases are approved in advance by the approving official for the fund/org being charged.

Communal use is defined as being available for use by an entire department and visitors to that department. Personal/private use is defined as being used exclusively by a single individual (as in a private office). A statement citing the reason for the purchase and that the items are for communal, not personal use, must be prepared and signed by the approving official for the fund/org prior to the purchase. For, P-card purchases, this approval statement should be scanned and attached when the transaction is allocated in Works. The original approval statement should be retained with the monthly P-Card receipts/records. The approval statement should be retained with the receiving documents for other payment methods.

Examples:

• Band aides
• First aid kits
• Hand sanitizer
• Tissues
• Coffee makers (household quality). The coffee maker will be property of George Mason University.
• Paper plates, paper napkins and plastic cutlery (only for student groups in support of a particular event, reimbursed with food and beverage items through the Food and Beverage process.)

STUDENT CLUBS AND ORGANIZATIONS

Student clubs and organizations are defined as those student activities which are funded by student fees, self-generated revenue, or both.

The following additional payments, which enhance student life, are permitted for student clubs and organizations:

• To support events:
  Balloons for events
  Sound equipment
  Food for events that directly support the club’s mission
  Decorations
  Bands
  DJs
  Flowers for events
• Refreshments (non-alcoholic) for club meetings
GEORGE MASON UNIVERSITY PURCHASING POLICY

University Policy 2106 details the policies and procedures related to the purchase of goods and services. This policy delegates purchasing authority for many small purchases to certain employees at the departmental level. The full text of the policy is included in the appendix to this manual and may also be obtained on the Fiscal Services web site at http://fiscal.gmu.edu.

Individuals with organizational responsibility may purchase goods and services using several procurement methods:

- Virginia’s electronic ordering system, eVA—to complete purchases costing less than $2,000 except those specifically exempted. These purchases may be charged to the Purchasing Charge Card (P-Card) or billed to the University.
- The Purchasing Charge Card (P-Card)--for items costing less than $2,000. Purchases that are exempt from eVA include: registration fees for conferences, over-the-counter purchases made at the site of the sale and picked up by the cardholder, traveler airfare or train tickets, postage and subscriptions (a complete list of eVA exempt purchases may be found at http://fiscal.gmu.edu). The over-the-counter exemption is not applicable to orders placed on a vendor’s website or by telephone. For purchases that are not exempt from eVA, a confirming purchase order in eVA is required.
- The Payment Request form--for certain payments and reimbursements.

University Policy Number 2106 specifies that the Purchasing Department is responsible for purchasing and leasing all goods and services for the University that cost $2,000 or more. The policy also specifies that only those individuals who have received an annual letter of authority from the Senior Vice President, or his/her designee, are authorized to sign contracts or make obligations on behalf of the University for spending levels of $2,000 or more.

Purchases exceeding the authorized dollar limitations must be processed through the Purchasing Department. The $2,000 threshold must not be circumvented by “splitting orders”. “Splitting orders” is defined as awarding multiple orders within a short time period which would exceed your delegated signature authority and prevent appropriate competition. Purchases that are less than $2,000, but are expected to regularly recur, should be bundled and sent to the Purchasing Department.
PURCHASING PROCEDURES

The Purchasing Office supports the University community by purchasing desired goods and services, receiving incoming goods, and delivering them to departmental offices or workspace. The goal is to satisfy each organization’s requirements in a timely manner at the lowest available cost, while adhering to University policy and state procurement guidelines and regulations.

For purchases of $2,000 or more, the department must complete an eVA order. Once approved, it is submitted to a Purchasing Office Buyer. The Buyer will then issue a Purchase Order to complete the procurement and notify the initiator via email.

Except for P-card confirming orders, an eVA Purchase Order must be placed before the items are ordered or services are rendered.

Automated Purchasing System:

The Purchasing Office utilizes an automated purchasing system that fully integrates purchase order creation and issuance, receiving documentation, reporting, invoice posting and tracking.

- **Direct Delivery Requirements**: Departments receiving direct delivery of goods or services under $2,000, except those purchased with a P-Card, may log into eVA and receive the items or wait to be contacted by Accounts Payable to confirm receipt.
- **Open Commitments**: The Banner Finance System establishes an encumbrance to the applicable fund/org for every purchase order issued. University personnel responsible for departmental budgets must carefully track open commitments. For purchases less than $2,000 the encumbrance may be removed by the unit purchaser when he/she selects “yes” in the “Close Order” section of the Receiving screen in eVA. Requests to close encumbrances in Banner should be made 30 days in advance to the Purchasing Operations Specialist by email: cnguyenn@gmu.edu.

EVA Orders Submitted to Purchasing:

To best communicate requirements, departments should submit accurate and complete information on the eVA order. The following information is necessary to process purchase requests:

- Adequate specifications and/or drawings
- Quantity to be procured
- Specific required delivery or completion date
- Fund/org code to be charged
- Electronic approval
- Suggested vendor
- Estimated total purchase cost
- Special delivery location instructions (Please note that orders may only be sent to a Mason Address. Orders sent to a non-business location require a justification in the comments section)
NOTE: When buyers from the Purchasing Office have questions about a requisition, they will routinely contact the eVA order initiator. If buyers should contact another faculty or staff member regarding order specifics, that contact information (name, telephone number and email address) should be provided in the “Comments” area of the eVA order.

Taxes

The University is exempt from paying sales tax in Virginia (except for the tax on lodging and prepared food). Order initiators should not authorize tax to be paid through eVA, on invoice approvals or with their P-cards.

Certificate of Exemption for Vendors and Amazon.com

Part One
2. Enter Amazon.com LLC in the Name of Dealer section and current date.
3. Print the certificate.
4. On the Signature line, the p-cardholder should sign his/her name followed by “on behalf of Cliff Shore”.
5. Scan and save the signed Commonwealth of Virginia Sales and Use Tax Certificate of Exemption to upload on the Amazon.com form in Part Two.

Part Two
1. Go to Amazon Tax Exemption Program web page.
2. Click on the Amazon Tax Exemption Program link to log-in to your account.
4. Allow up to three business days for review of the documentation by Amazon.com.

Amazon.com requires an independent enrollment in the Amazon Tax Exemption Program for each individual Amazon.com account.

Separate Business and Personal Accounts For All Purchases

Please establish a dedicated Mason business only account whenever you provide ANY vendor with a Mason Tax Certificate of Exemption.

Amazon.com and other vendors usually apply the Tax Certificate of Exemption to all transactions for an account and do not permit the Tax Certificate of Exemption to be applied selectively to designated purchases or to a specific method of payment such as a Mason p-card. As a result, individuals with a single account for both Mason business purchases and personal purchases may not be able to pay the sales tax due for personal purchases since all purchases would be treated as tax exempt.

Due to the complexities related to having a Mason Tax Certificate of Exemption on file with a vendor and the potential penalties that may be levied if an individual accidentally intermingles a Mason account with a personal account, Mason personnel should take the following actions for any vendor where there is the potential for sales tax to be charged and a Tax Certificate of Exemption is used:
1. Establish a dedicated Mason business only account. This account should be used for Mason business purchases only.
2. Use your Mason email in the account set up.
3. Use the Mason address below for the billing address:
   Accounts Payable
   4400 University Drive, MS3C5
   Fairfax, VA 22030

**Procurement Categories and Procedures:**

**Goods, printing, and nonprofessional services.** The following procedures specify the methods and requirements for purchasing goods, printing, and nonprofessional services. The amount of time required to process an order varies, but routine purchases should be complete within processing times shown below. A 10-day public advertising period is required for purchases valued at more than $50,000.

**Individual Departments:**
- Less than $2,000: eVA, Purchasing Charge Card (P-Card), or Payment Request (for specific items listed on the Payment Request form only). These purchases may be made by individuals with organizational financial responsibility and their designees. For items that are not already under contract, Departments are to include small, women, and minority-owned businesses to the extent practicable. Departments may locate SWaM vendors at the following link: [http://egov1.virginia.gov/cgi-bin/search.cgi](http://egov1.virginia.gov/cgi-bin/search.cgi)

**Purchasing Office:**
- $2,000 to $5,000: For purchases where the one time or cumulative estimated cost of the materials, supplies or services is less than $5,000, one written quotation shall be obtained. Administrative lead-time is approximately five days. These purchases are to include minority, and women owned to the extent practicable.
- Between $5,001 to $50,000: For purchases where the one time or cumulative estimated cost of the materials, supplies or services is $5,000 or greater but less than $50,000, no less than three written quotations shall be obtained. At least two quotes must be from minority or women owned businesses. In cases where two certified SWaM vendors are solicited and the price is determined to be fair and reasonable, the third competitive quote is not required. Administrative lead-time is approximately 5 to 10 days.
- Over $50,000, Invitation For Bids (IFB): For purchases where the one time or cumulative estimated cost is expected to be $50,000 or greater, competitive sealed bidding is required. Bids shall be solicited from not less than six sources. Solicitations are to include a minimum of four minority and/or women owned businesses. IFB’s are advertised in eVA and on the Purchasing Web Page. Sealed bids are opened and read aloud at a public bid opening. When appropriate, a Notice of Award or Notice of Intent to Award is publicly posted for 10 days after the applicable decision has been made. Administrative lead-time is approximately 21 days, but may be as long as 60 days depending on the complexity of the order.
- Over $50,000, Request For Proposals (RFP): For purchases expected to exceed $50,000, competitive sealed proposals, resulting in competitive negotiations is required. Proposals shall be solicited from not less than six sources. Solicitations are to include a minimum of four minority and/or women owned businesses. RFP’s are advertised in the Washington Post, eVA and the Purchasing Web Page. Sealed proposals are not opened in public. When appropriate, a Notice of Award or Notice of Intent to Award is publicly posted for 10 days after the applicable decision has been made. Administrative lead-time is a minimum of 30
days but may be as long as 180 days or more, depending on complexity.

**Sole Source Procurements:** Sole source procurements are made when only one source is practically available for the goods or services required; therefore, competition is not available. In some instances, it may be necessary to conduct a market analysis to determine if a similar product or service exists. This differs from a proprietary purchase where the product required is manufactured by only one company, but is sold through distributors and competition may be obtained among distributors. In cases where the eVA order initiator believes this applies, please complete a [Sole Source Procurement Form](#) found on the Fiscal Services website at least 30 days in advance and attach with the eVA order.

**Emergency Procurements:** In the case of an imminent threat to personal safety or property, a contract may be awarded by the Purchasing Department without competition; however, such procurement shall be made with as much competition as is practicable under the circumstances.

**Professional Services.** These services are specifically defined in Virginia law as the practice of accounting, actuarial services, architecture, land surveying, landscape architecture, law, medicine, dentistry, optometry, pharmacy, and professional engineering. The procurement of professional services is accomplished by competitive negotiation. Concurrence and/or approval from other State agencies may be required. Please contact Purchasing for assistance regarding the procurement of professional services.

**Computer Equipment and Software.** All computer equipment and software, except for Site Licensed Software, will be procured in accordance with the purchasing guidelines described above. For Site Licensed software, departments should forward their request to ITU, MSN 1B5. Manuals for Site Licensed Software are not part of the package and requests for these manuals should be forwarded to Purchasing. Additional information related to equipment purchases may be found at [http://compstore.gmu.edu/department-info/](http://compstore.gmu.edu/department-info/).

**Office Supplies - Mandatory Source**

The Supply Room Companies is the mandatory vendor for office supplies.

**Furniture - Mandatory Source**

The Code of Virginia requires that all furniture including metal and systems furniture, dormitory furniture, office furniture, seating, office systems and wood furniture be purchased from Virginia Correctional Enterprises (VCE) via eVA.

**Third Party Processors Such as PayPal**

The use of third party processors such as PayPal is the least preferred method of payment and should be used only when a merchant will not accept a Mason P-Card directly. When using one of these services, the following documents must be retained in your P-Card file:

- Screen shot of the vendor website showing that the vendor only accepts PayPal
- Itemized receipt issued by the vendor
Purchasing Made Easy

- E-mail from PayPal confirming the purchase

A third party processor may not be used for payments to an individual for services. All payments for services to individuals must be processed through eVA with the appropriate documentation.

**State Contracts**

Term contracts are established by the Purchasing Department to obtain more favorable prices through volume purchasing and to reduce procurement lead-time and administrative effort. Departments may obtain copies of State contracts from the Purchasing Office or from the Department of General Services, Division of Purchases and Supply web site at http://www.dgs.state.va.us/.

**VASCUPP Contracts**

A listing of Virginia Association of State Colleges and University Purchasing Professionals (VASCUPP) contracts is available at https://vascupp.org/contracts.php. Under the category dropdown, select the type of contract desired, then select Search. The list of VASCUPP contracts for that category will be displayed.

**Other Contracts**

Purchasing provides support to departments through the establishment of agency contracts. A summary of Mason’s most commonly used contracts may be found on the Search for an Existing Contract Purchasing page of the Fiscal Services website. These often carry very favorable prices and may be used by all departments. Below is a list of some of the commonly used agency contracts. For additional information, contact Purchasing.

- Moving, Hauling & Labor Services
- Wireless Phone Service
- Temporary Personnel Services
- Local Lodging
- Computers (Dell, Gateway, Apple)
- Laboratory Supplies
- Audio Visual Equipment
- Business Cards

**Contract Administration**

Contract administration is an important part of the procurement and contract process. It is the responsibility of the Contract Administrator to ensure that the vendor fulfills its obligation in accordance with the contract terms and/or statement of work. As a result, multi-year purchase orders and/or contracts must designate a Contract Administrator and list his/her assigned duties. A formal memo is sent by the Purchasing Office Buyer to the Contract Administrator enumerating his/her duties and responsibilities prior to the issuance of the contract. For term contracts, the Purchasing Office Buyer will contact the Contract Administrator approximately 90 days prior to the expiration of the contract to request an evaluation of the vendor's performance and make a determination if the contract should be renewed.
NOTE: It is the responsibility of the Purchasing Office Buyer to ensure that the Contract Administrator is fulfilling his/her obligations as Contract Administrator. Prior to award the buyer must establish a procedure whereby the Purchasing Office Buyer and the Contract Administrator will have regularly scheduled meetings, correspondences, evaluations, etc. It will be the Purchasing Office Buyer’s discretion as to method and frequency; however, the buyer should obtain a written contract evaluation every six months for all term contracts. The contract file must be constantly updated to document actions taken, if any, as a result of the individual contract administration compliance plan.

Contract management training video is available on the Fiscal Services web site at Contract Training Video.

SWaM Procurement Initiative

SWaM is an acronym to define businesses as Small, Women-owned, and Minority-owned. The SWaM Procurement Initiative is a state-wide effort established to enhance business opportunities for SWaM businesses operating in Virginia. The Commonwealth has set a goal of 42% of all purchases to be made with SWaM certified vendors. George Mason University encourages the use of SWaM vendors when practical. For more information regarding the SWaM Procurement Initiative, contact the Director of Purchasing and Accounts Payable at x3-2580

Payments to foreign nationals (non-US citizens), including scholarships, fellowships, awards, prizes, travel reimbursements, honorarium payments and other payments for independent personal services, must also be reviewed by the International Tax Office. The IRS W-8BEN form should be requested from first time vendors. Additional information is available at [International Tax](http://www.fiscal.gmu.edu/).

**Returns or Incorrect Receipts**

Departments are responsible for inspecting purchased goods immediately upon receipt. In the event of a damaged, incorrect or incomplete shipment, immediately notify the Buyer who purchased the item.That Buyer will then make arrangements for correction/resolution of the problem. 1. The Office of Risk Management
2. The Equipment Management Office with a copy of the Purchase Order and barcode numbers, if applicable.

The Supply Room Companies is the mandatory vendor for office supplies. Supplies routinely used in offices and classrooms at Mason are considered office supplies. These items should be purchased only from the Supply Room Companies Mason punch-out catalog in eVA. Examples include:

- Batteries (AAA, AA, C, D and 9Volt used in office and classroom equipment)
- Binders and dividers
- Calendars
- Desk organizers and baskets
- Envelopes and stationary
- Erasers, correction fluid and correction tape
- Folders such as file, pocket, hanging and portfolio
- Index cards
- Labels and label makers
- Paper fasteners such as paper clips, binder clips, staples and staplers
- Paper products such as post-it notes, pads of paper, legal pads and steno pads
- Pencil sharpeners
- Printer cartridges and toner
- Tape and tape dispensers
- Writing instruments such as chalk, markers, highlighters, pens and pencils

To purchase an office supply item not stocked by The Supply Room Companies from a vendor other than The Supply Room Companies, except in an emergency situation, complete and submit the Office Supply Waiver to the Purchasing Office for review and approval. The Office Supply Waiver can be found on the Forms and Instruction page of the Fiscal Services website.

**Furniture**

Department representatives may issue an eVA purchase order to VCE for all furniture purchases. Departments may not purchase furniture from any other source. If furniture from a vendor other than VCE is requested, a VCE Release Request, sometimes referred to as a waiver, is required. The approved VCE Release Request and an eVA order should be submitted to the Purchasing Office for these furniture purchases at any dollar amount including those less than $2,000.

**Mason Forms and Logo Items**

Mason multi-copy forms, letterhead, envelopes, labels and other logo items are stocked by The Supply Room Companies and may be purchased from their punch-out catalog in eVA. After accessing the punch-out catalog, type GMU in the Quick Search box and select Go.

**Mason Bookstore Purchases**

**P-Card Purchases.** The Mason Bookstore is authorized to accept the P-Card for departmental purchases of allowable items costing less than $2,000.

**Non P-Card Purchases.** The Mason Bookstore is also authorized to accept approved Mason Bookstore Charge forms for departmental purchases of allowable items costing less than $2,000. The Department is responsible for preparing a properly completed and authorized form before submitting the order. A sample of this form may be found in Appendix D.

Please note that all mandatory contracts and policies apply. Gift cards may not be purchased through the Mason Bookstore.
**Patriot Computers Purchases**

Approved *Patriot Computers Purchase Authorization* forms with an estimated cost less than $30,000 ($5,000 for sponsored research funding) may be taken to Patriot Computers to purchase computers and related supplies. The form must include the proper fund/org number to be charged and the appropriate approval signature. Patriot Computers will then process the order and bill the department using the recharge system. A sample of this form may be found in Appendix E. The P-Card may NOT be used for Patriot Computer purchases.

**Consulting Services**

When purchasing academic or research consulting services greater than $2,000 but less than $50,001, the following steps must be followed:

1. An eVA *Purchase Requisition* is required. If the consultant will be paid over an extended period of time, the entire amount the consultant is expected to receive should be entered as the total amount. For example, to pay a consultant $1,000 per month for one year, the total amount of the eVA Requisition should be $12,000.
2. The consultant or contractor must provide a *Proposal for Service*. This statement of work should include a price quote and all expenses, including travel, if applicable.
3. The *Cost/Price Analysis for Contracted Services* form must be completed and attached to the eVA Requisition.
4. The *Employee/Contractor Evaluation* must also be completed and attached to the eVA Requisition.
5. If George Mason University has not paid this contractor or consultant in the past, the contractor or consultant must submit a *substitute W-9* form for tax purposes before the purchase order will be issued.

If the academic or research consulting services cost $50,000 or more, the same five steps above must be completed along with a potential sixth step. If a particular consultant is the only one who is qualified to perform the services and competition is impracticable or unavailable, a *Sole Source Procurement Approval Request* must be completed. A statement of work to include a written quote must accompany all sole source requests. The Sole Source Procurement Approval Request form may be found on the *Forms and Instructions* page of the Fiscal Services website.

Expenditures of $2,000 or more from any fund that begins with a "2" require OSP approval and consultants or contractors must complete a *substitute W-9* form before the purchase order is issued.
**Purchasing Food and Beverages**

Purchases of food and beverages for university functions are a specialized type of purchasing. University Policy Number 2102, “*Food and Beverages Expenditures*”, contains the university’s rules regarding food and beverages expenditures. The policy identifies six types of functions at which it is considered appropriate to pay for food and beverages using state funds. The policy also requires advance approval by a Senior Approving Official, and certain limitations are imposed on dollar amounts and types of items. *Food and Beverages Authorization* forms are required for most of these purchases. The *Food and Beverages Policy, forms and instructions* and a current list of Senior Approving Officials are all available online at the *Fiscal Services* website at [http://fiscal.gmu.edu](http://fiscal.gmu.edu).

A separate manual on *Food and Beverages Expenditures* is available on Fiscal Services website under *Obtain Training Materials*. Training sessions are available periodically to present information related to the procedures for purchasing food and beverages. Upcoming sessions are listed at [workshops.gmu.edu](http://workshops.gmu.edu). Questions regarding these expenditures should be addressed to Accounts Payable at ext. 3-2580.

**Computer Equipment and Software**

All computer equipment and software, except for Site Licensed Software, will be procured in accordance with the purchasing guidelines described on Page 9. For Site Licensed software, departments should forward their request to ITU, MSN 1B5. Manuals for Site Licensed Software are not part of the package and requests for these manuals should be forwarded to Purchasing.

Please note that, according to the Internal Revenue Service regulations, payments to foreign vendors for software and licensing fees are considered royalty income and are taxed at the 30% statutory rate, unless the reduced rate applies.

**Administrative Systems/Applications**

Please note that the procurement of administrative systems/applications must be reviewed and approved by the Architecture Standards Committee (ASC) in advance of purchase. The Purchasing Department will not approve any purchase of administrative systems/applications without evidence of ASC approval (signature from ASC chairperson.) Administrative systems/applications are defined as software, hardware or hosted services provided by a vendor or developed internally that are used to store regulated data. The forms and instructions are available at: [http://ascreview.gmu.edu](http://ascreview.gmu.edu).

**Business Cards**

George Mason University business cards should be purchased using a P-Card online at *Business Cards*. The Mason Purchasing Office has issued a blanket eVA order to Worth Higgins, the business card vendor, therefore no eVA order is required.
**Sponsorships**

- Requires that disbursements of funds be paid to businesses or individuals who furnish goods and services to the University.
- Requires that purchases be considered essential to the operation of the University.
- Specifically prohibits disbursement of funds for donations or gifts.

In most situations a sponsorship represents a donation and as such is not appropriate for Mason funding. In limited circumstances, a sponsorship may provide clearly identifiable and quantifiable benefits to Mason. Requests for payment of these types of sponsorships should be submitted using a **Sponsorship Justification Form** with written documentation of how the sponsorship benefits George Mason University and supports its mission.

Requests for sponsorships are subject to a review and evaluation of the exchange on a case by case basis. Requestors must assign a dollar value to any goods or services received. For example, if a sponsorship at a conference provides a waiver of the conference registration fee, the dollar value of the conference registration fee waived should be listed.

When a sponsorship provides advertising for a Mason program, the dollar value of that advertising should be estimated based on comparable advertising pricing targeted to a similarly sized audience. The evaluation of this type of sponsorship may include a review of results of previous advertising to the targeted group.

The opportunity for Mason to be listed as a program sponsor in a printed program or online resource or to display a Mason banner or Mason program banner at an event does not normally result in a clearly quantifiable benefit to Mason.

**eVA, VIRGINIA’S ELECTRONIC PROCUREMENT SYSTEM**

George Mason University purchases most goods and services, except those specifically exempted, through eVA, Virginia’s electronic ordering system. The University is assessed financial penalties for all purchases from vendors who have not registered with eVA. The University is also subject to an additional penalty if its eVA purchase compliance percentage falls below a target rate set by the state.

Detailed information and guidelines related to processing orders in eVA are available in the **Basic eVA Purchasing Manual**.

**Exempted Purchases**

Purchases currently exempt from eVA include:
- Conference registration fees
- Reimbursements
- Individual travel and lodging
- Faculty/staff moving and relocation reimbursements except direct payments to contracted moving van companies
Small over-the-counter purchases made with the P-Card. Purchase must be made at the site of the sale and picked up by the cardholder. This does NOT include orders placed on a vendor’s website or by telephone.

- Payments to the U.S. Department of Homeland Security
- Postage
- Wire Transfers
- Honorarium payments less than $2,000

**Exempted from eVA Fees (X02 items)**

Purchases currently exempt from eVA fees include:

- Professional organization membership dues
- Entertainment payments, including: speakers, lecturers, musicians and performing artists. The category does not include consultants, seminar facilitators or contracted workshop instructors
- Honorarium payments $2,000 and greater
- Accreditation fees
- Academic testing fees
- Subscriptions
- Advertisements in newspapers, magazines, journals, radio or television
- Real estate leases
- Exhibition rental fees for exhibitions of historical artifacts or works of art
- State agency to State agency

These purchases should be processed in eVA with the Purchase Order (PO) category of X02. Additional information is available in the Basic eVA Purchasing Manual.

**eVA Vendors**

Mason faculty and staff may purchase goods and services costing less than $2,000 from any eVA listed vendor unless the purchase falls under a mandatory contract. The order should be placed in the eVA system. An interactive, searchable listing of current vendors is available on the eVA home page, [http://www.eva.virginia.gov/](http://www.eva.virginia.gov/) by selecting the vendors link or icon under eVA Tools. The following information is provided for each vendor:

- Vendor contact information
- Vendor accepts credit cards
- Vendor accepts electronic orders (Yes or No)
- Vendor’s Small, Woman and Minority-owned (SWAM) business status

Vendors are identified as self-registered (the vendor has registered with eVA) or state-entered (the vendor has been paid by Mason or another state agency in the past.) A vendor not found on this list is an un-registered vendor.

Vendors may join eVA by following the instructions on the eVA home page, [http://www.eva.virginia.gov/](http://www.eva.virginia.gov/).
eVA Processes

**Buyer access.** Access to eVA requires a user name and password. The [eVA Login Request](#) should be used to request a user name and password. A deliver to address, complete with building and room number as well as MSN number, should be provided. Those requesting access to eVA must also sign an acknowledgement of the eVA Acceptable Use Policy. These forms may be found on the [Forms and Instructions](#) page of the Fiscal Services website. Completed forms should be sent to FAST at 4B2 or faxed to 3-2920.

**Creating an eVA purchase order.** The order process begins with the creation of an eVA purchase requisition. Buyers will generally select one of the following two processes to complete their order:

- A punch-out catalog is a detailed vendor catalog that is available in eVA. Buyers may search and shop from those catalogs. The selected items will be transferred to an eVA form with all required information provided. Punch-out catalogs are available from approximately one hundred fifty companies including the Supply Room Companies, Dell Computer and Fisher Scientific.
- A noncatalog item refers to any purchase from vendors who do not have a punch-out catalog in eVA. These vendors often have paper or web-based catalogs that buyers may use to identify item numbers and descriptions. The specifics for each item will be entered on the eVA Purchase Requisition as a non-catalog item.

When the order is finalized, an eVA purchase order number is generated. Purchase orders charged to the P-Card will begin with PCO. Purchase Orders to be billed to Mason and paid by Accounts Payable will begin with EP.

Vendors who accept orders electronically will receive those orders directly from eVA. If a vendor does not accept electronic orders, the purchaser must print and fax the order to the vendor.

If the department receives the vendor invoice directly, the invoice should be sent to Accounts Payable with the EP number noted. The invoice may be sent by email to acctpay@gmu.edu or interoffice mail to MS3C1.

**Confirming Orders.** Occasionally, a purchase is made directly from a vendor's web site. This type of purchase may be more efficient when the vendor’s web site contains essential ordering details for purchases such as lab supplies, chemicals and customized merchandise. In other situations, the vendor may accept only credit cards (not purchase orders). In these cases a confirming order must be entered in eVA after the order is placed (making sure to check the “Confirming Order: Do Not Duplicate” and “Bypass ERP Integration” box) to be compliant with eVA regulations. A confirming order is processed as a single noncatalog item that represents an entire web site order from the vendor. If the web site order includes multiple items, these should not be listed individually in eVA.

The eVA confirming order should be entered immediately after the order is placed at the vendor’s web site. If there are multiple transactions from the same vendor, one confirming order
may be entered into eVA for the total amount. Confirming orders must be completed prior to P-card transactions being allocated and signed off in BOA Works.

The confirming order process is essential since the penalty for non-compliant purchases has the potential to reduce University funding.

Quick guides listing all the steps necessary to complete each of these purchase processes in eVA are available on Obtain Training Material page of the Fiscal Services website. Also available are training videos and the Basic eVA Purchasing Manual.

**Receiving.** No receiving activity is required for P-Card transactions. It is necessary for Accounts Payable to receive proper receiving information to process vendor invoices in a timely manner. When items are received or services provided for orders less than $2,000 that are not charged to the P-Card, the initiator should log in to eVA and locate the order. Select the PR # and select Receive.

- If all items have been received, select Accept All and then select Submit.
- If a partial order has been received, select the items and quantities received, and then select Submit.

Since the receiving process is electronic, there is no need to send documentation to Accounts Payable for orders less than $2,000 unless the vendor invoice is received by the department or unit. If so, note the EP number on the invoice and send it to Accounts Payable. The invoice may be scanned and emailed to acctpay@gmu.edu or sent through interoffice mail to MS3C1.

A second receiving process is available for invoices related to purchase orders of $2,000 or less. When Accounts Payable receives an invoice and notes that items/services have not been received in eVA, the Accounts Payable staff will send an email to the eVA order initiator indicating that the invoice, which has been received, is attached and will be processed for payment in five business days subject to prompt pay regulations or contract provisions. (Accounts Payable will notify an alternate approver when an out of office email indicating the order initiator is out of the office beyond the five day period is received.) The order initiator or receiver must immediately (in fewer than five business days) respond by selecting “reply all” to the Accounts Payable email if the invoice should NOT be paid. If the goods/services have been received and the invoice is correct, no response from the order initiator is required. The requirement for the receiver to retain documentation in the department (electronically or otherwise) that the goods or services have been received remains unchanged and is essential to satisfy audit requirements. Records are required to be retained for three years. for all funds except Sponsored fund records must be retained for ten years.

For an invoice at any dollar amount that relates to a purchase order of $2,000 or greater, Accounts Payable will contact the order initiator for confirmation of receipt.

**eVA Training**

A hands-on training workshop, Basic eVA Purchasing, is offered by Fiscal Services. These sessions are offered twice monthly to provide employees with the procedures to access and
complete orders utilizing eVA. Scheduled sessions are listed at http://workshops.gmu.edu/

eVA training videos demonstrate procedures for a variety of eVA transactions and are available in the Use eVA Purchasing section of the Fiscal Services website.

**THE PURCHASING CHARGE CARD (P-CARD)**

The Commonwealth of Virginia has a contract with Bank of America that allows state agencies to purchase items directly from vendors using the Purchasing Charge Card. The P-Card is also the preferred payment method for purchasing items in eVA. Using the P-Card has several advantages:

- Orders for eVA exempt items may be placed directly with vendors who accept charge cards
- Paperwork is reduced
- Payment to vendors is expedited

**Highlights:**
- The P-Card may be used to purchase items costing less than $2,000
- The state encourages use of the P-Card for all transactions with vendors who accept it
- Employees with a single P-Card may charge more than one fund or org during the electronic allocation process
- Employees may use the P-Card to charge grants and contracts
- The P-Card may be used to purchase common carrier transportation (airline, train, and bus tickets) and to pay conference registration fees

**eVA**. All purchases of goods and services, except those specifically exempted, should be purchased through eVA. Once the credit card information is entered in eVA, the P-Card becomes the eVA default purchase method.

Over the counter P-Card purchases, i.e., those made at the site of sale and picked up by the individual card holder, are exempt from eVA. Purchases made by telephone or on a vendor’s website must be entered in eVA as a confirming order.

**REMINDER**

**USE THE P-CARD FOR ALL ALLOWABLE TRANSACTIONS.**

For questions regarding the P-Card, contact Mason’s P-Card Program Administrator at ext. 3-2580.
PAYMENT REQUEST

The Payment Request form has been designed to facilitate and expedite requests for payment by departments in the situations listed below, and to eliminate use of an eVA order for these types of transactions.

When to use the Payment Request form

If the P-Card may not be used and you are requesting payment for one of the following items:

- Conference registrations
- Reimbursements (excluding travel expenses)
- US Dept. of Homeland Security or US Postal Service
- Other: limited to non-routine transactions such as bank fees and transfers between state funds/orgs and local funds/orgs (requires pre-approval of the Purchasing staff.)

Email your request and provide relevant information to the Purchasing mailbox at Purch1@gmu.edu. Once approved, attach the approval to the Payment Request form.

THEN the Payment Request form may be used.

Instructions for completing the form

The Payment Request form on the Fiscal Services web site (http://fiscal.gmu.edu) under “Forms” may be opened, completed on-line and printed for submitting to Accounts Payable. A sample form is Appendix F. Step-by-step instructions for using this form are listed below.

Check the appropriate box related to immigration status of payee

- If the payee is a nonimmigrant visa holder or the payment is made on behalf of a nonimmigrant visa holder and the activities are conducted in the United States, indicate visa status and send the Payment Request form to International Tax, MS4B2. Contact the International Tax Coordinator at ext. 3-5223 or inttax@gmu.edu for additional information regarding payments to nonimmigrant visa holders.

- If the payee is a non-U.S. citizen OR nonimmigrant visa holder and activities are conducted outside the United States, send the Payment Request form and the Statement for Services Completed Outside the U.S. to International Tax, MS 4B2. Contact the International Tax Coordinator at ext. 3-5223 or inttax@gmu.edu for additional information.

The Payment Request form may be used to request reimbursement to Mason employees or students for out-of-pocket expenditures made on behalf of the University. Original receipts showing a zero balance or proof of payment must be attached to the Payment Request form. Only non-travel reimbursements are permitted to be made to employees or students using this form. All other payments are to be made through the Payroll department or requested on a Travel Reimbursement Voucher or Scholarship/Fellowship/Stipend payment request. Virginia sales tax is not a reimbursable expense. First time vendors who are not employees or students must complete and sign a substitute W-9 form. Fax copies are acceptable. Attach this form to your completed Payment Request.

**Nature of Expenses and Amount:**

**Nature of Expenses:** This area is used to describe the purpose of the payment request. Include all information needed to justify the expenditure as a bona fide use of state funds.

**Enter Fund/Org and Account codes** to be charged. A complete list of account codes is available online on the Accounting Operations page of the Fiscal Services web site (http://fiscal.gmu.edu/). The report is titled Account Hierarchy Report. A searchable list of Expenditure Account Codes with definitions and examples is available on the Fiscal Services web site.

**Activity Code:** This code requires pre-approval. Enter the activity code if applicable.

**Amount:** Enter the amount of the request in U.S. dollars and cents.

**Signature Requirements:**

**Reimbursements:**
If the request is for reimbursement, signature requirements are as follows:

- The employee or student being reimbursed must sign on line 1; and
- The approving official for the account must sign on line 2; and
• The supervisor of the payee requesting reimbursement must sign on line 3 if payee is the approving official for the fund/org.

Note: Reimbursing international students. Units are expected to develop procedures that minimize reimbursements to Mason students for purchases made on behalf of the university. The International Tax Office requires departments to provide an explanation when the Payment Request is intended to reimburse an international student for purchases made on behalf of the university. Spending personal funds and then seeking reimbursement places the student in a vulnerable position since there is some risk that the reimbursement will be denied or reduced by Accounts Payable or by the International Tax Office. Even when reimbursement is processed in full, the student is “out of pocket” until the payment can be processed.

Other types of payments:
For payments other than reimbursements, an approving official may sign on either line 1 (if he/she is completing the form) or line 2. It is not necessary for an approving official to sign on both lines.

Signature Cards:
All persons signing as approving officials must have a signature card on file in Accounts Payable for the fund or organization being charged. Contact Purchasing and Accounts Payable at 3-2580 with any questions.

Distribution:
Send the original Payment Request form and any required attachments to Accounts Payable at MSN 3C1. A copy should be kept for department records. For reimbursements over $5,000 related to a fund that begins with 2, payment requests must be sent to the Office of Sponsored Programs for approval.

Important Points to Remember

• Employee reimbursements of $20 or less may be obtained in the Cashier’s Office. A completed and signed Payment Request form, all required receipts, and Mason photo ID is required. Reimbursements must be for departmental business expenses only. By signing the Payment Request form, the employee certifies that this is a necessary and appropriate expenditure by the University that has not or will not be reimbursed by another party. Signature acknowledges that the goods purchased become the property of George Mason University.

• Conference registrations: If there is a due date for early registration discount, note this date on the Payment Request form on the Date Required line. Accounts Payable will expedite these payments to receive the discount. Please allow at least ten working days to process the payment. (Note: Before preparing a Payment Request form, determine if the conference will accept the P-Card. This will be the easiest way to pay the registration and the quickest way to obtain the discount.)

• The University is exempt from paying sales tax in Virginia except for the tax on lodging and prepared food. Sales tax on purchases made on behalf of the University will NOT be reimbursed. The Sale and Use Tax Certificate of Exemption is available online at Tax
Exemption Certificate or contact Purchasing and Accounts Payable at 3-2580 for a copy of the University's Sales Tax Exemption Certificate.

- Payments to students that are compensatory in nature must be processed through Payroll.

**HONORARIUM PAYMENT REQUEST INSTRUCTIONS**

An honorarium is a one-time payment that is a token of appreciation paid to an individual who is not a Mason employee or student for a special and non-recurring activity or event for which no payment is required. Honoraria are typically paid to persons of distinguished scholarly or professional standing with the intent of showing appreciation for participation in University education, research or public service activities. There is no contract, the fee is not set or negotiated by the recipient, and the honorarium may not be paid to a third party.

An honorarium may include consideration for travel expenses that are not reimbursed with a Travel Reimbursement voucher.

**Procedures**

Honorarium payments for less than $2,000 are processed in Accounts Payable with the Honorarium Payment Request. An example of this form is shown in Appendix G. Honorarium payments for $2,000 or more are processed with an eVA order.

All academic honorarium payments, regardless of the dollar amount, to visitors who are US Citizens or Permanent Residents must be reported to the Internal Revenue Service. US Citizens and Permanent Residents will receive an IRS Form 1099-MISC. Non-US citizens will receive an IRS form 1042S and a thirty percent (30%) tax may be withheld from all payments unless the individual is eligible to claim a tax treaty exemption.

- **Payments to US Citizens/Permanent Residents**
  
  **Required Payment Forms:**
  
  1. Completed Honorarium Payment Request
  2. Substitute W-9, Request For Taxpayer Identification Number
  3. Letter of invitation (if any)
  4. Justification letter (may be requested)
  5. If the payment is $2,000 or more, process the request in eVA and attach the Honorarium Payment Request to the eVA order.

- **Payments to Aliens (Non-US Citizens)**
  
  **Required Payment Forms**
  
  1. Detailed instructions are available at Honorarium Payments to Aliens.
  2. Completed Honorarium Payment Request
  3. IRS Form W-8 BEN, Certificate of Foreign Status of Beneficial Owner for United States Tax Withholding
  4. Letter of invitation
  5. Justification letter (may be requested)
  6. If the payment is $2,000 or more, process the request in eVA and attach the Honorarium Payment Request to the eVA order.
7. The completed request should be sent to the International Tax Coordinator for review and appropriate tax calculation. After processing the request, the International Tax Coordinator will forward onto Accounts Payable for payment.

PARTICIPANT SUPPORT ALLOWANCE PAYMENT

A participant support allowance payment is provided to help defray personal expenses such as meals, incidentals and minimal transportation costs incurred by a participant. A participant is a non-Mason employee who is a recipient of a service or training session associated with a workshop, conference, seminar, symposium or other information sharing activity funded by a sponsored award. Participant support allowance payments are authorized only when a sponsor includes a specific budget category for participant support costs. Participant support allowance payments are processed in Accounts Payable with a Request for Participant Allowance Payment, and example is shown on Appendix H. An eVA order is not required. Only a fund number (not an organization number) may be charged. Departments intending to reimburse foreign participants should review procedures for Scholarship and Fellowship Payments to Foreign Nationals before completing the request and while visitors are physically present in the United States. Additional information is available in the Request for Participant Support Allowance Payment Instructions.

REVENUE REFUNDS

Sometimes revenue must be refunded to an individual or organization after it has been deposited. George Mason University has developed a Revenue Refund form to request checks for this purpose. This form should be used for all Revenue Refund requests. The Revenue Refund form in pdf format on the Fiscal Services web site (http://fiscal.gmu.edu) under “Forms” can be opened, completed on-line and printed for submitting to Accounts Payable. A sample form is shown in Appendix I. Complete this form using the following instructions:

Optional Tracking Number RR ________. This is an optional number that may be assigned by the person completing the form. If a number is entered, it will appear in the detail transaction report in the COMM REF column. Any numbering system may be used.

Invoice Number (internal use only). This space is for Accounts Payable or Student Accounts to assign an invoice number to the transaction.

Make Check Payable To. Enter the name and address of the refund recipient. If the SSN or FIN is known, entering it in this section will expedite the payment process. Complete a separate form for each payee; multiple payees may not be combined on a single revenue refund form.

1. A copy of the original, validated Cash Receipt form, or
2. A copy of an accounting report confirming the original deposit to the fund/org entered on the request. A printout from Self Service or E-Print will suffice.
3. Other documentation, as applicable. Please explain in the space provided on the form. First time payees who are not employees or students must complete and sign a substitute W-9 form, which is available on the Fiscal Services website at substitute W-9. Fax copies are acceptable. Attach this form to the completed Revenue Refund.

**Signature Requirements.** Revenue Refund requests must be signed by the person completing the form and an approving official for the fund/org being charged. Approving officials must have a signature card on file in Accounts Payable.

**Submitting Revenue Refund forms.** Completed forms with original signatures should be sent to Accounts Payable at MSN 3C1. Accounts Payable cannot process faxed requests. A copy of the form should be retained for department records.

**Questions?**

Questions regarding Revenue Refunds should be directed to Accounts Payable at ext. 3-2580.

Categorized: Financial

Responsible Office: Purchasing

Policy Procedure:

- Detailed procedures are available in Purchasing Made Easy and Basic eVA Purchasing on the Fiscal Services web site at: http://fiscal.gmu.edu

- Policy 2102: Food and Beverage Expenditures
- Policy 1124: University Owned Cellular Equipment

I. SCOPE

This policy applies to all George Mason University faculty, staff, and students including all University locations, owned and leased.

II. POLICY STATEMENT

As an Agency of the Commonwealth of Virginia, George Mason University has a public obligation to perform its procurement in accordance with the intent of the laws of the Commonwealth. The intent of the Virginia General Assembly is set forth in the Rules Governing Procurement of Goods, Services, Insurance and Construction, (Code of Virginia, §23-38.90, Chapters 824 & 829). Elements of intent include: that Agencies obtain high quality goods and services at a reasonable cost; that competition be sought to the maximum extent possible; that all qualified vendors have access to public business; and that procurement procedures be conducted in a fair and impartial manner. It is further the intent of the Virginia General Assembly that the provisions of the Governing Rules apply in all cases where there is to be a contract between a governmental body and a nongovernmental body, regardless of the source of funds by which the contract is to be paid or in the absence of any monetary consideration flowing to either party.

The Board of Visitors of George Mason University amended its Bylaws on December 7, 2005, to add specific guidance regarding all contractual agreements entered into by any Official of the University. Specific signature authority is vested in the President and the Senior Vice President. Further delegation of this authority to contractually obligate the University must be provided in writing.
It is the policy of the University to contribute to the establishment, preservation and strengthening of small businesses and businesses owned by women and minorities and to encourage their participation in procurement activities. The University encourages contractors to provide for the participation of small businesses and businesses owned by women and minorities through partnership, joint ventures, subcontracts, or other contractual opportunities.

The University is committed to the stewardship of the environment and to reducing the University’s dependence on non-renewable energy.

III. RESPONSIBILITIES

A. Purchasing Goods and Services

Goods and services that cost less than $2,000 may be purchased by individuals with account responsibility and their designees. Mandatory contracts for purchasing all furniture, janitorial supplies, rubber gloves, and office supplies must be honored. Pre-approval requirements must be met for travel expenditures, food and beverages expenditures, temporary employment services, cellular telephones, copying, and printing. The Purchasing Department is responsible for purchasing and leasing all goods and services for the University that cost $2,000 or more, except: 1) those associated with the Capital Outlay process and 2) real estate rentals and leases. Capital Outlay procurement is the responsibility of Facilities Planning (construction/architectural). University Counsel has the sole responsibility to negotiate real estate rentals and leases and any changes to existing rentals and leases.

B. Contract Administration

A Contract Administrator will be designated to monitor and support contracts for delivery of goods and services which occur over an extended time period. The contract administration process delegates authority, which allows for direct communications between the representative of the University receiving the goods/services and the vendor, with the aim of facilitating and verifying desired performance standards. Active contract administration and written, annual evaluation of vendor performance are the cornerstones of effective outsourcing. Contract Administrators are restricted from making any commitment or conducting any negotiations which change the scope of the contract or may result in modified financial expenditure. Members of the Purchasing Department are available to consult with Contract Administrators on any matter, and must become involved to issue written change orders and renewals, and to formally address performance shortcomings, non-renewals and contract terminations.

IV. COMPLIANCE

Failure to comply with this policy may result in revocation of delegated purchasing authority by the Director of Purchasing.
All persons engaged in purchasing activity equal to and greater than $2,000 will have a letter providing specific levels of authority. In the absence of such written authorization, University faculty, staff, and students are not permitted to sign contracts or make obligations on behalf of the University to a private vendor. Such actions taken without proper authority will be considered taken at personal financial risk.

V. EFFECTIVE DATE AND APPROVAL

The policies herein are effective July 1, 1999. This Administrative Policy shall be reviewed and revised, if necessary, annually to become effective at the beginning of the University’s fiscal year, unless otherwise noted.
