Purchasing Policy 2106

• Reasonable and Economical
• Mandatory State and University contracts
• Use of Small, Women, and Minority (SWaM) owned businesses
• Delegated purchasing authority for many small purchases costing less than $5,000 per transaction to employees at the department level.
  • Departments are authorized to sign contracts of $5,000 or less; with consideration for terms and conditions that a state agency of the Commonwealth of Virginia, cannot agree to. The **Contract Addendum** should be attached to these contracts to “cancel out” or invalidate the prohibitive terms and conditions. Refer to the **Contract Addendum Instructions** for additional assistance.
  • Employees may NOT sign contracts that exceed the $5,000 single purchase limit. Although, authority may be granted in limited circumstances by the University President and Senior VP.

You may contact purch1@gmu.edu for contract related questions
Can I purchase…?

Guidelines on what can and cannot be purchased, payment methods, and purchasing procedures are located on the Can I purchase…? webpage.

- Purchases must be considered essential to the operation and mission of the University
- Purchases circumstances will vary widely, thus adequate documentation should always be available for review.
- The Virginia Department of Accounts has authority to question any State-funded expenditure

Additional assistance and contact information may be found on the department directory webpage.
SWaM Plan

• George Mason University is committed to the preservation and strengthening of small businesses and businesses owned by women and minorities (SWaM Vendors) and to encourage their participation in procurement activities. https://www.sbsd.virginia.gov/

• Purchases over $5,000 typically require at least two quotes from Micro/SWaM vendors.
• Purchases over $200,000 will be conducted by the Purchasing Office and must include a minimum of four Micro/SWaM vendors.

More information on Mason Annual SWaM Procurement plan may be found on the Do Business with Mason page

- Most purchases are exempt from Virginia State Sales Tax
  - Typically not exempt from other state’s or local taxes

- Business purchases that are paid with personal funds (out of pocket) may not be exempt from sales and use tax.
  - In most cases, tax will not be processed on reimbursement requests.

eVA Purchases
General eVA Purchasing and Payment Information

BEFORE Purchase:
• Create an eVA requisition (PR#) and submit. All purchase order invoices must have a valid and current purchase order number (EP#) in order to be processed.

AFTER Delivery:
• Final invoice with EP# should be sent to Accounts Payable (acctpay@gmu.edu) and “receive” purchase in eVA.
  • Departments are not permitted to generate invoices on behalf of a vendor.
  • Virginia State Prompt Payment Act - which states that payment will be paid 30 days after invoice or delivery, whichever occurs last.
• If a vendor wishes to have a payment submitted to a different address than what is currently in Banner, they must submit an updated Substitute W-9 to papadmin@gmu.edu.

We strongly encourage vendors to enroll in a secure electronic payment option; more information can be found here: https://fiscal.gmu.edu/electronic-disbursements/
Before Beginning an Order

Determine if the Vendor is registered in eVA

Self-Registered Vendor
Options include:

✗ If NO – the Vendor will need to be registered:

   - If the vendor is unwilling to self-register in eVA the vendor must submit a Substitute W-9 or W-8 BEN (international) emailed to papadmin@gmu.edu with a note to create an eVA vendor account. The vendor will then be set up as “state entered vendor”

2. If payment will be paid through the Accounts Payable process (check or direct deposit) a note should be added to request a G# be created as it relates to a newly registered eVA vendor.

P-Card allocation and approval timelines

The P-Card billing cycle begins on the 16th of one month and ends on the 15th of the following month

• Example: The February Billing cycle is: January 16th - February 15th. All transactions must be allocated and signed off by the Cardholder no later than February 25th. Approvers must sign off by February 27th.
  • Approvers may delegate short term approval authority as needed

Any P-Card not allocated and/or not signed off by the deadline will be suspended and the transaction will be “swept”

• Transactions will be “swept” to Account code “74093” and the default fund/org for the P-Card
• P-Card Admin will e-mail instructions on how to reactivated the card, the unit must also prepare a correcting journal voucher (JV) and will still need to sign off in BoA.
  • Card will be suspended for 30 days if you and your approver fail to sign off by the billing cycle deadline 3 times in a 6 month period.
P-Card Maintenance

The P-card maintenance form must be submitted for the following reasons:
