Suggested Procedures for Planning a Conference:

Units may work directly with one of the contracted hotels or request assistance with a contracted hotel or other conference facility from Mason's Events Management. Please contact Barb Lubar at blubar@gmu.edu or 3-8847.

1. Each department/unit should identify one individual to serve as the point of contact for the conference.
2. Contact the preferred hotel and speak with the representative listed above.
3. Identify yourself as a Mason faculty or staff member. Refer to Master Agreement GMU-1156-14. Doing so alerts the hotel that master terms and conditions are already in place.

4. Discuss your requirements with the representative. Ask the representative to prepare a sales quote/booking agreement for your event.
5. Enter the order in eVA and attach the sales quote/booking agreement. If the agreement is \$2,000 or greater, a buyer will sign the agreement and issue the purchase order.

For additional information related to the contract, please contact Jim Russell, jrussell@gmu.edu, or Erin Rauch, erauch@gmu.edu.
