I. **PURPOSE:** The purpose of this Request for Proposal (RFP) is to solicit sealed proposals from qualified sources to establish a term contract, through competitive negotiations, for providing turf maintenance and management services for the Athletic and Recreation departments at George Mason University. George Mason is an educational institution and agency of the Commonwealth of Virginia.

II. **PURCHASING MANUAL/GOVERNING RULES:** This solicitation and any resulting contract shall be subject to the provisions of the Commonwealth of Virginia Purchasing Manual for Institutions of Higher Education and their Vendor’s, and any revisions there to, and the Governing Rules, which are hereby incorporated into this contract in their entirety. A copy of both documents is available for review at: [https://vascupp.org](https://vascupp.org)

III. **COMMUNICATION:** Communications regarding the Request For Proposals shall be formal from the date of issuance until a contract has been awarded. Unless otherwise instructed offerors are to communicate with only the Procurement Officers listed on the cover page. Offerors are not to communicate with any other employees of Mason.

IV. **FINAL CONTRACT:** ATTACHMENT B to this solicitation is Mason’s standard two-party contract. It is the intent of this solicitation to base the final contractual documents off of Mason’s standard two-party contract and Mason’s General Terms and Conditions. Any exceptions to our standard contract and General Terms and Conditions should be denoted in your RFP response. Other documents may be incorporated into the final contract, either by way of attachment or by reference, but in all cases this contract document and Mason’s General Terms and Conditions shall jointly take precedence over all other documents and will govern the terms and conditions of the contract.

V. **ADDITIONAL USERS:** It is the intent of this solicitation and resulting contract to allow for cooperative procurement. Accordingly, any public body, public or private health or educational institutions, or affiliated corporations may access any resulting contract if authorized by the contractor.

Participation in this cooperative procurement is strictly voluntary. If authorized by the Contractor(s), the resultant contract(s) will be extended to the entities indicated above to purchase goods and services in accordance with contract terms. As a separate contractual relationship, the participating entity will place its own orders directly with the Contractor(s) and shall fully and independently administer its use of the contract(s) to include contractual disputes, invoicing and payments without direct administration from the University. No modification of this contract or execution of a separate agreement is required to participate; however, the participating entity and the Contractor may modify the terms and conditions of the contract to accommodate specific governing laws, regulations, policies, and business goals required by the participating entity. Any such modification will apply solely between the participating entity and the contractor.

The University may require the Contractor provide semi-annual usage reports for all entities accessing the contract. The University shall not be held liable for any costs or damages incurred by any other participating entity as a result of any authorization by the Contractor to extend the contract. It is understood and agreed that the University is not responsible for the acts or omissions of any entity and will not be considered in default of the contract no matter the circumstances.

Use of this contract(s) does not preclude any participating entity from using other contracts or competitive processes as needed.

VI. **eVA BUSINESS-TO-GOVERNMENT VENDOR REGISTRATION:** The eVA Internet electronic procurement solution, website portal www.eVA.virginia.gov, streamlines and automates government purchasing activities in the Commonwealth. The eVA portal is the gateway for vendors to conduct business with state agencies and public bodies. All vendors desiring to provide goods and/or services to the Commonwealth shall participate in the eVA Internet eProcurement solution by completing the free eVA Vendor Registration. All bidders or offerors agree to self-register in eVA and pay the Vendor Transaction Fees prior to being awarded a contract. Registration instructions and transaction fees may be viewed at: [https://eva.virginia.gov/](https://eva.virginia.gov/)

VII. **SWaM CERTIFICATION:** Vendor agrees to fully support the Commonwealth of Virginia and Mason’s efforts related to SWaM goals. Upon contract execution, eligible vendors (as determined by Mason and the Virginia Department of Small Business and Supplier Diversity) shall submit all required documents necessary to achieve SWaM certification to the Department of Small Business and Supplier Diversity within 90 days. Vendors currently SWaM certified agree to maintain their certification for the duration of the contract and shall submit all required renewal documentation at least 30 days prior to existing SWaM expiration. [https://www.sbsd.virginia.gov/](https://www.sbsd.virginia.gov/)

VIII. **SMALL BUSINESS SUBCONTRACTING PLAN:** In accordance with Executive Order 35 it is the goal of the Commonwealth that over 42% of its purchases be made from small businesses. All potential offerors are required to fill out and submit Attachments A with their proposal.
IX. **PERIOD OF PERFORMANCE:** One year with four (4) one-year optional renewal periods or as negotiated.

X. **BACKGROUND:** A Turf Management and Maintenance Program is needed for Mason Recreation’s Four (4) outdoor fields. The fields include two (2) synthetic turf fields and two (2) natural grass fields. The two (2) synthetic fields are the “RAC Field” and “Field 3”. The two (2) natural grass fields are “Field 4” and “Field 5”. All Four (4) fields are located on the Fairfax Campus. These fields are currently managed/maintained under contract GMU-1236-15 by Game Day. This was a five (5) year contract that is expiring on 10/30/2020. Per the Commonwealth of Virginia’s Purchasing Regulations, we are required to re-compete multi-year service contracts at the end of each contract period, which is why this service is going back out for re-compete. A copy of the current contract and the latest renewal are attached as Attachment C for your reference (attach the contract and renewal document).

XI. **STATEMENT OF NEEDS:** Mason is seeking qualified offerors who can provide a Turf Management and Maintenance Program for Mason’s Recreation and Athletics Departments. Synthetic and natural grass fields will need to cleaned, disinfected, cultivated, planted, fertilized irrigated, cut, top dressed, and apply weed control in a professional manner to improve and preserve the high-quality playing surfaces, to promote safety of all athletes and users, and to conserve energy and resources. The company awarded the contract will need to identify field conditions that require special attention or services outside of the maintenance plan and provide quotes, including work descriptions and prices, for repairs needed for athletic fields and irrigation systems. All services will have to be scheduled around the practices and events on the calendar provided by Mason Rec personnel. On all days when field use is planned, the company will assess athletic fields for current conditions and will alert Mason Rec personnel to any adverse conditions that would require immediate remediation action or that would result in potential event delays or field closures. For the Athletics Department, Turf Management and Maintenance Program is needed for the Field House’s 8 outdoor fields. The fields are natural grass (Patriot Bermuda) fields. The fields are: Stadium, West Campus #1, Soccer Practice #1, Soccer Practice #2, Javelin/Hammer/Discus Throw, Baseball, Baseball practice & Softball. All 8 fields are located on the Fairfax Campus. The fields are used by both Mason-affiliated groups and non-affiliated groups including but not limited to Intramurals, Club Sports, Registered Student Organizations, Athletics and external groups.
