Food & Beverage Reimbursements

There are limited circumstances in which it is considered appropriate to provide food and beverages to personnel who are not in travel status. Food/Beverage may not be provided at regularly scheduled or routine meetings (i.e., monthly staff meeting, quarterly unit meeting) or as a way to boost morale or promote goodwill among employees. Alcohol and Flowers are prohibited. Participant Funded events, where the food/beverage costs are paid solely from participant fees (i.e., registration fee) are not subject to the policy. Every effort should be made to purchase food and beverage using a P-Card and/or eVA purchase order. Catering is not a reimbursable expense. Please review the Food and Beverage Procedures for further information.

All food and beverage purchases are limited to the per meal dollar maximum for the location (which includes applicable tax, tips (up to 20%) and/or necessary service ware). All rates are available on the GSA Per Diem webpage. Local area rates are listed below.
