

# Individual International – Cash Advance

Mason employees traveling to an international destination(s) where credit cards are not readily accepted and out of pocket expenses are expected to exceed \$2,000 may request a cash advance. The advance may be used to pay out-of-pocket travel expenses that are un-allowable on a Mason P-Card or are unable to be directly billed to Accounts Payable.

All Cash Advance requests require a Pre-Approval and Cash Advance Request be submitted and approved in the Mason Finance Gateway ([link](#)). Cash Advance Requests may be submitted up to 14 days prior to the trip and the employee traveler will receive the Cash Advance via direct deposit (AP Direct Deposit Guide ([link](#))). Please follow the guide below for instructions on completing the Pre-Approval, Cash Advance Request and after trip Expense Report/Reconciliation.

The incurred expense(s) must be considered reimbursable under the Travel, Meals and Entertainment Policy. Supporting documentation in the form of vendor provided receipts must be attached. Itemized receipts with the following specific requirements should clearly document the purchase.

- **Public transportation/registration/entry fees:** The receipt must contain the name and address of the provider.
- **Meals:** Receipts for traveler meals are not required and will be reimbursed on a per diem basis. No-cost meals must be deducted from the Expense Reimbursement. Business meals (pre-approved meals with non-Mason individuals where business is conducted) must include the itemized meal receipt and list of attendees.
- **Lodging expenses:** A legitimate receipt with the name and location of the lodging.
- **Tour guides, translators, speakers or other individuals up to \$600:** A legitimate receipt including the recipients' name, amount paid and recipient's signature must be obtained and the [Justification for Services Performed Outside of the United States Form](#) must be completed at the time the service is rendered. If vendor cannot provide receipt, use [Receipt Certification Form](#).
- **Tour guides, translators, speakers or other individuals in excess of \$600:** Cash payment may not be issued. Payment must be made via the *Payment Request, Honorarium* or Purchase Order process, as appropriate. Proper tax documentation must be obtained (W-9/W-8BEN) and submitted with the request for payment. The department should complete this process prior to trip departure and obtain a check payment for the payee whenever possible. Payments may be made via wire transfer to the payee upon trip return in extenuating situation. Please review the [Honorarium Payments to Foreign Nationals](#) guide.
- **Unattainable International receipts:** Every effort should be made to obtain a legitimate receipt for all business expenses. In the event that a receipt cannot be obtained, the [Receipt Certification Form](#) may be submitted to justify the purchase.

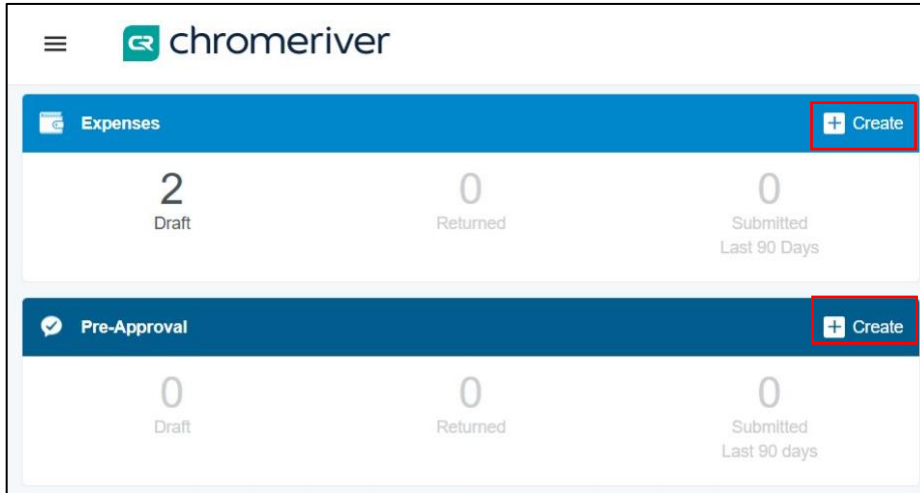

## Delinquent Advances

A Cash Advance is a direct loan to an individual. The traveler must return the unused portion of the Travel Advance and complete an Expense Reimbursement/Reconciliation within 30 calendar days of the trip return date. Failure to repay in a timely manner may result in a suspension of future Cash Advance privileges and/or deduction of the outstanding amount through payroll. In the event the employee has left the university, the delinquent account will be placed with a collection agency. The employee will be responsible for all costs incurred in collecting the delinquent debt. If a travel advance was issued but is no longer needed, the traveler must submit a Cash Advance Return as referenced in the "Return Unused Cash Advance" section noted below along with an Expense Report to reconcile.
