Payment Request Form Quick Guide

The Payment Request Workflow is designed to facilitate and expedite payment by departments in very specific situations (listed below) where the vendor will not accept a P-Card and an eVA order is impractical. This form is not used to reimburse employees, students, or non-Mason individuals.

- Conference registration fees paid directly to the vendor.
- Other: limited to non-routine transactions such as bank fees and transfers between state funds/orgs and local funds/orgs (requires pre-approval of the Purchasing staff, email purch1@gmu.edu)

Process a Payment Request

1. Open the Payment Request Workflow and complete the steps to login with your Mason Net ID and Patriot Password (2FA required).
2. Workflow will automatically assign a Case Number and default to the current date. To begin the Workflow, enter the Vendor G# and click Continue. Use the G# Lookup as needed. If not G# is found, the Payee must follow the Vendor Registration Portal instruction to obtain a G#.
3. Select the Payment Type.
4. Check the box if the payee is a foreign entity.
5. Select the Payees mailing address. This is required even if the Dept. plans to request the check be mailed directly to the Depts campus address.
6. If the desired address is not listed, the Payee must follow the instructions on the Vendor Registration Portal to update the address.
7. The Department Contact Info will default based on the user login. Enter a Payment Needed by date if applicable.

13. Enter **Comments** (optional). *If the Dept. requires a check to be mailed to their campus address, please enter this information in the Comments section.*
